

## Financing Your Dream Career

Colorado Highland Helicopters wants to help you find the best student financing assistance for your lifestyle. Taking that adventurous leap into a world of new knowledge and experiences can be formidable enough; a little financial planning can make financing your new career manageable.

Here are some beginning options:

1) FAA- Federal Aviation Administration fund scholarships and grants each year for students that qualify.

2) AOPA - Aircraft Owners and Pilots Association

Qualify for up to \$100,000.00 and take up to 7 years to pay it off. Rates vary on personal situation. In browser: [finance.aopa.org](http://finance.aopa.org) ( don't place www. in front as it redirects. )

3) Pilot Finance, Inc.

In browser: <http://www.pilotfinance.com/>. Call 800 667 0201 for assistance.

We hope this helps you find a way to finance your success.

Cheers!
